### **ADVANCED FEATHERWEIGHT WORKSHOP "Beyond the Basics":**

#### **PRE-REQUISITE:**

Students must have taken Dave's Basic Featherweight Maintenance Workshop, or the equivalent. (Any exceptions will be based on the individual student's Featherweight experience and will require prior permission from the instructor.)

**NOTE:** This class is designed for those students who want to go beyond routine Featherweight maintenance. The object of the class is to learn repair techniques. Students will focus on identifying, analyzing, and resolving problems. Students must already be familiar with Featherweight 221 machine basics, including operation and maintenance.

**ADVANCED FW Workshop**                      **Friday, NOV 11<sup>th</sup>, OR Saturday, NOV 12<sup>th</sup>**  
**The Quiltmaker's Shoppe**                      (360) 435-3993  
Arlington, WA                              [www.thequiltmakersshoppe.com](http://www.thequiltmakersshoppe.com)

**Class sizes are limited.**
